<http://www.zangersheide.com/en/Register-foal>

There is one rate for all foals, irrespective of their papers. This rate is inclusive of foal registration, DNA examination and European passport.

All foals which are the result of service by a stallion licensed in any studbook which is a member of WBFSH, can be registered at birth with Studbook Zangersheide vzw.

To register your foal you send the fully completed service certificate/notification of birth within two weeks after the birth of the foal to

The name of the foal should start with the first letter of its sire and cover 16 positions at a maximum, including spaces and compulsory Z-suffix.

If the dam is not yet know to Studbook Zangersheide, please enclose a copy of her ancestry papers.

After Studbook Zangersheide has received the notification of birth, we send you all material so your veterinarian can take DNA and make drawings of the foal

The mare's owner / owner of the foal will receive the European passport of the foal within 3 months after the notification of birth, but only if the registration fee is paid.

To register a foal with Studbook Zangersheide, the following requirements should be met:
Submit original notification of birth to Studbook Zangersheide and state the name of the foal
Submit copy of the dam's ancestry papers to Studbook Zangersheid
Sire must be licensed under a studbook recognized by WBFSH
As Studbook Zangersheide prefers to leave nothing to fate, every foal will undergo DNA-testing, bot for the sire's and the dam's side.
